

Lineup

Lineup

PAM High Yield Canola: a canola oil-based premium cooking spray, with double the amount of soy lecithin, for maximum non-stick protection with less application.

- **MADE WITH:** canola oil, soy lecithin
- **USE FOR:** heavy sauté, pan frying and light baking
- **SKU/PACK:** 64144-07263, 6/17 oz.

PAM Sauté & Grill: this water/canola oil blend is an economical and versatile spray, perfect for light cooking and cold prep. Use throughout the kitchen, for easy clean-up without the oil buildup.

- **MADE WITH:** water/canola oil blend, soy lecithin
- **USE FOR:** panini grills, waffle irons, meat slicers, utensils, storage containers
- **SKU/PACK:** 64144-63111, 6/17 oz.

Lineup

PAM High Heat: this specially formulated soybean/canola oil blend is ideal for high-temperature baking. It does not contain lecithin, which helps keep cooking surface free from dark, gummy build-up over time.

- **MADE WITH:** soybean/canola oil formula (no lecithin)
- **USE FOR:** high heat baking, roasting, pan frying, or grilling
- **SKU/PACK:** 64144-07264, 6/17 oz.

PAM Buttercoat: a canola oil-based cooking spray, with a light buttery flavor. Perfect for adding butter flavor to foods without the fat, calories, or cholesterol of real butter

- **MADE WITH:** canola oil, soy lecithin, natural butter flavor
- **USE FOR:** pan frying, grilling, pizza pans, dinner rolls, paninis
- **SKU/PACK:** 64144-07267, 6/17 oz.

Lineup

PAM Original: Our classic canola, palm and coconut oil formulation is perfect for everyday cooking applications. Use for easy non-stick griddling, sautéing and baking.

- **MADE WITH:** canola/palm/coconut oil blend, soy lecithin
- **USE FOR:** baking, griddles, pan frying and sautéing
- **SKU/PACK:** 64144-32288, 6/17 oz.

PAM Grilling: this non-lecithin, canola oil-based grilling spray will help reduce darkening, or residue build on your grilling surfaces. There is no added soy, so it matches up against non-allergen competitive sprays.

- **MADE WITH:** canola oil-based formula (no lecithin, no soy)
- **USE FOR:** grilling, allergen-free alternative
- **SKU/PACK:** 64144-32276, 6/17 oz.

Lineup

PAM Extra Virgin Olive Oil: an extra virgin oil olive non-stick cooking spray perfect for bringing out the flavor of your food without the hassle of bottled oils.

- **MADE WITH:** expeller pressed, extra virgin olive oil, soy lecithin
- **USE FOR:** pizza dough, pastas, breads, and sautéing
- **SKU/PACK:** 64144-32275, 6/17 oz.

PAM Non-Aerosol: CANOLA OIL (NO ALCOHOL) A blend of canola oil and soy lecithin in a 100% recyclable, non-aerosol trigger spray bottle, ideal for propellant-free cooking. As with all of our cooking sprays, it provides excellent non-stick protection.

- **MADE WITH:** canola oil, soy lecithin...nothing else!
- **USE FOR:** all-purpose, sautéing, flat-top grilling
- **SKU/PACK:** 64144-63112, 6/15.5 oz.
