Powerful Platform and Fully-Integrated POS Solutions Built for Restaurants & Bars

Our all-in-one platform will provide you with all the tools you need to manage your business, sales, transactions, and customers – allowing you to optimize your payments infrastructure.

- Free restaurant manager hardware
- Zero-fee compliant dual pricing
- Online ordering platform without commission fees
- Intuitive merchant dashboard

Eliminate processing fees with our compliant dual pricing program

Our compliant dual pricing program offers Buyer's Edge partners the ability to eliminate their monthly credit card processing fees entirely. Coupled with our free restaurant-specific POS hardware, CURV, we make it easy for you to grow your business.
