- 0g trans fat per serving

Shelf Life

180 days

Storage

Keep refrigerated for best quality. Best if used by date on packaging.

Tips

Use 1:1 for butter for melting cooking and baking. Great for high-heat applications like applications like sauté, grilling, and roasting. Use right from the fridge for baking easy and fast dairy-free cookies, cakes and more. Add a scoop of to bring out richness and flavor when cooking grains like rice or quinoa. Top your favorite waffles with caramelized cinnamon apples and syrup, and serve with Flora Plant Butter to capitalize on the breakfast all-day craze. Toss with cooked pasta, fresh steamed vegetables and lemon zest for a new twist on comfort favorite. Slice a head of cauliflower lengthwise in 1" slices, brush with Flora Plant Butter, and grill or sauté for a delicious plant-based protein main dish: cauliflower steaks.
