

# ALWAYS TASTY. ALWAYS TENDER.

TNT™ Burgers offer high-performance, low-maintenance burgers that provide back-of-house efficiencies with a flavor to meet the most discerning tastes. They set the standard for overall quality in appearance, aroma, flavor, texture and hold time.

THE BURGER  
THAT SERVES  
**YOU**

## ALWAYS TRUSTED. ALWAYS TRUE.

TNT™ Burgers are premium foodservice patties that let you consistently give guests an unforgettable experience in minutes.

### THE PATTIES OPERATORS PREFER

- TNT has the **highest customer satisfaction** among competing brands, with a 92% satisfaction rate<sup>1</sup>
- 56% of consumers **prefer TNT Burgers** over the next leading burger brand<sup>2</sup>
- 63% of consumers preferred frozen patties over fresh in a recent sensory evaluation<sup>3</sup>

### TNT™ ORIGINAL

*The premium patty that set the standard.*

- Freshly cooked juiciness with right-off-the-grill flavor
- 3+ hour hold time – great for takeout and delivery applications
- Perfectly seasoned to enhance the natural beef flavor
- IQF patty helps operators with inventory management and saves on prep time and labor
- Available in different shapes, sizes and grinds

# FRESH VS. FROZEN

Think fresh burgers always win?

## THINK AGAIN.

### CONSUMERS HAVE SPOKEN

In a recent sensory panel test, Cargill frozen patties delivered a better sensory experience versus fresh.\*

**63%**

OF CONSUMERS  
**PREFER FROZEN**  
OVER FRESH PATTIES

FROZEN PATTIES RATED  
HIGHER OVERALL FOR:

- **LIKING**
- **TASTE**
- **TEXTURE**

**Cargill**<sup>®</sup>

# WHY FROZEN IS CHOSEN

Check out all the ways frozen beats fresh:

## Taste

- Retains their juiciness, texture and flavor
- Preferred by consumers 2:1 over fresh

## Consistency

- Locks in quality at the peak of freshness
- Preformed for consistent quality
- Cooks directly from frozen with the same performance every time

## Cost Savings

- Reduced kitchen labor costs and easier prep
- More stable pricing
- Improved inventory management
- Longer shelf life means zero food waste

## Safety

- Rigorous E.coli testing
- Freezing helps inhibit microbial growth

# 94%

of foodservice operators say **consistent quality** is extremely important or very important\*\*

# 80%

of operators say the **taste experience** is critical\*\*

# ALWAYS TASTY. ALWAYS TENDER.

TNT™ is the premium foodservice patty that consistently provides the highest standards in aroma, flavor, texture and hold time. Just grill and build for can't-miss burgers that deliver an impeccable burger experience every time.

THE BURGER  
THAT SERVES  
**YOU**

# THE ORIGINAL PREMIUM FOODSERVICE PATTY

TNT™ is the original premium foodservice patty that offers unbeatable taste and superior performance for burgers that consistently satisfy even in the most demanding environments.

## TASTE

Perfectly seasoned to enhance right-off-the-grill natural beef flavor

## PERFORMANCE

Exceptional tenderness and 3 hour plus hold time increase efficiencies and protect profits

## CONVENIENCE

Preparation and storage convenience that comes in an IQF patty with a taste that sensory testing proves outperforms fresh\*

## VARIETY

Dozens of SKUs in a variety of grinds, shapes and sizes

\* Cargill Internal Sensory Panel of 112 consumers comparing fresh vs. frozen patties of 78:22 lean:fat ratio, August 2015, Wichita KS

## Cooking instructions

- Keep patties frozen until ready to cook.
- Preheat grill to 350°F.
- Place patties on grill and turn when juices start to pool and run clear.
- Remove patties when internal temperature reaches 160°F.

To order, call **1-800-373-6515** to connect with your Cargill sales representative.
