HIGH LINER  
FOODSERVICE™

# SALMON? ABSOLUTELY.

With its moist texture, mild taste and iconic bright color, Atlantic salmon is a guaranteed crowd-pleaser. And because our Atlantic salmon is frozen within hours of being caught, you know it's as fresh as can be. We even offer an option that's cold smoked over specially selected hardwoods and then air-dried, locking in its signature flavor and color.

## NUTRITIONAL INFORMATION

Trans fat free

Contains  
Omega-3

Excellent source  
of protein

## Features + Benefits

- 1 Individually Vacuum-Packed  
Deliver flavor, freshness and portion control
- 2 Firm Texture and Bright Color  
Add increased appetite appeal to recipes
- 3 Deep-Skinned Option Available  
Deliver excellent flavor and an even better plate presentation
- 4 Responsibly Sourced  
Feel good about serving sustainable seafood to your customers

### CHEF'S TIP

Cut your salmon fillets down the middle, bake and then fill with a soft poached egg for a superb brunch or lunch entrée.
