THE CHALLENGE

Legal Seafoods Restaurant Group and PPX Hospitality Brands were facing challenges with rising supply chain costs that were impacting their bottom line. **Ensuring competitive pricing and managing costs effectively across their multiple brands was becoming increasingly difficult.**

THE SOLUTION

To tackle these challenges, Legal Seafoods partnered with Consolidated Concepts. The Consolidated Concepts team conducted a comprehensive analysis of their supply chain, identifying opportunities to bring prices back in line. Through strategic sourcing and cost management solutions, they helped Legal Seafoods secure better pricing and optimize their supply chain expenses.

//

The team has been wonderful—they've saved us so much money. Restaurant groups should work with Consolidated Concepts because of the savings and the team.

Legal Seafoods Restaurant Group

THE RESULTS

By collaborating with Consolidated Concepts, Legal Seafoods was able to achieve significant cost savings, directly improving their bottom line. The expertise and energy of the Consolidated Concepts team made the partnership not only valuable but also enjoyable. The results reinforced the decision to trust Consolidated Concepts as a key partner for their supply chain needs.
