TAZIKI'S MEDITERRANEAN CAFE PARTNERS

WITH CONSOLIDATED CONCEPTS
TO STREAMLINE SUPPLY CHAIN
OPERATIONS

THE CHALLENGE

Taziki's Mediterranean Cafe faced significant challenges in managing their supply chain efficiently. Their team was overwhelmed with tasks such as audit functions, price verification, and managing contracts to secure rebates. **These processes were time-consuming and detracted from focusing on core business operations.**

THE SOLUTION

To address these challenges, Taziki's partnered with Consolidated Concepts. The Consolidated Concepts team provided comprehensive support by streamlining audit functions, automating price verification, and optimizing contract management to unlock valuable rebates. Their responsive and solution-oriented approach significantly reduced the manual workload for Taziki's supply chain team.

//

Consolidated Concepts has been an invaluable partner for us at Taziki's Mediterranean Cafe. Their team is incredibly responsive and has provided effective solutions for our audit functions, price verification, and contract management, helping us save time and benefit from valuable rebates. Choosing Consolidated Concepts was a smart decision for our supply chain needs.

//

— Jeff Derby, Director of Supply Chain, Taziki's Mediterranean Cafe

THE RESULTS

By partnering with Consolidated Concepts, Taziki's Mediterranean Cafe was able to save substantial time and resources while maximizing cost savings through effective rebate management. The expertise and responsiveness of the Consolidated Concepts team made them a trusted partner, allowing Taziki's to focus more on their core business.
