Why Join Our Community?

tastes good.

The best potatoes make the most delicious chips. We start with high quality potatoes and keep it simple – thick cut potatoes, oil, salt – cooked in small batches for a truly satisfying snacking experience.

made good.

What's not in our chips is almost as important as what is. We're proud that our chips are **Non-GMO Project Verified** and **free of the Big 9 allergens.**

does good.

Since day one, Community Snacks has committed to **donating 10% of all profits** to help fund local food banks, local food pantries and local food programs.

★ THE MISSION

Nearly 50 million Americans face hunger – including 1 in 5 children. We owe it to our communities to change that. **Working together as a community, we can.**

OUR PLEDGE

10% of profits from every purchase support organizations working to **fight hunger**. We partner at the local level to ensure each purchase has the greatest impact.

YOUR LOCAL IMPACT

We build **partnerships with local organizations** that directly serve the regions where you operate. When your shoppers buy Community Snacks, **we give back in your communities.**

OUR GOAL

1,000,000+ Meals Every Year

In 2024 we funded 100,000 meals. In 2025 we will double that number. **Our goal is to donate more than one million meals every year.** We can do it with your help.

YOUR CONSUMERS CARE ABOUT CAUSE

9 of 10

consumers would switch from their current brand to one associated with a good cause, all else equal.

84%

of Americans prioritize giving to organizations that serve their local communities.

71%

of Millennials are willing to pay more for something if their purchase will benefit charity.
