Throw It Away

Once You're Done Using Our Products, Please Make Sure To Dispose Of Them Responsibly!

Bring On The Microbes

When Exposed To The "Elements" Found In Landfills & Outdoors, These Products Attract Microbes That Are Hungry And Ready To Eat.

Cycle Complete!

Tested In Accordance With ASTM D5526 And CRECE Real Compost, These Products Will Biodegrade In Months - Not Years - Helping Businesses Join The Global Movement Of Sustainability!

"This is one of those 'little things' that's actually a big deal!"
